

GEOGRAPHIC INFORMATION SYSTEMS

Impervious Surface Calculations

Commercial Point Survey Analysis

Utility Infrastructure QA/QC

Engineering design with innovative solutions.

ABOUT US

Albrecht Engineering, Inc. is a woman-owned consulting firm founded in 2008 by Rachel Albrecht. We provide **Engineering Design and Analysis, Construction Management, and Geographic Information Systems (GIS)** services. We have a proven track record of completing projects and producing high quality deliverables on time and on budget.

Albrecht Engineering, Inc. has utilized GIS for several years on many of our engineering and design projects. We are pleased to be able to offer GIS consulting and management as a standalone service.
